Jalandhar, Phagwara

EDUCATION

Integrated B.Tech, Electronics and Communication (2015 - 2019)

Lovely Professional University
CGPA : 7.35/10

XII (Senior Secondary), Science

Year of Completion: 2015
SSC Board (Sri Chaitanya College)
Percentage : 93.00%

X (Secondary)

Year of Completion: 2013
SSV Board (Z.P.High School)
Percentage : 83.00%

INTERNSHIPS

Programming

Green Mobility (Jalandhar)
Jun 2017 - Aug 2017
How the networking in a particular area working.The design behind it and with the binding of code.

PROJECTS

Designing of binary calculator using shell script programming

Aug 2018 - Nov 2018
designing of binary calculator like addition, subtractions, multiplication, division,binary to decimal, binary to hexadecimal etc in linux

Eight bit accumulator using nexys-four ,artix-seven FPGA board
using seven segment display

Aug 2018 - Nov 2018

Basic things of FPGA board,the coding behind it

Designing of signals in Matlab

Aug 2018 - Nov 2018

I had learned the Matlab programming for two semesters,so i can confidently
say that i designed the various forms of communication systems and signals

Networking

Jun 2017 - Jul 2017

Basic communication networking in a city

SKILLS

C Programming	Linux
Intermediate	Intermediate

Teaching	MATLAB
Intermediate	Intermediate

Linear Programming

Beginner

ADDITIONAL DETAILS

Got 1st rank in district wise competition held by J V V science talent test in
2011

secured the 2nd rank in district level organized by J V V science talent test
in 2013

secured 2nd rank in chess competition in district level organized by chess
tournament.
